To Whom It May Concern:

I have been asked to write this letter to verify that students who earn a Bachelor of Science degree in Information Systems Security would have that degree posted to official University of Illinois at Springfield (UIS) transcripts. Please let this letter serve as verification that upon earning a bachelor's degree in Information Systems Security, that degree would be posted to each student's official UIS transcript. In addition, all courses completed in pursuit of the ISS degree would also appear on a student's official UIS transcript.

If you have any questions, please feel free to contact me. I can be reached by email ([bclev1@uis.edu](mailto:bclev1@uis.edu)) or by phone (217/206-6178).

Sincerely,

Brian L. Clevenger  
Director of Records and Registration/Registrar
